

## MARICOPA COMMUNITY COLLEGES TRANSFER PATHWAY

### ANIMAL SCIENCES B.S.

#### Equine

The equine emphasis prepares students to work in the management, production, and business segments of the equine industry by offering students animal science classes focused specifically on horses. Examples include horsemanship, equine nutrition, and equine reproduction.

#### TRANSFER EQUIVALENCIES

On the following page you will find course equivalencies for the Animal Sciences Equine emphasis. The information presented is a recommended outline of courses for students to take at Maricopa Community Colleges that will transfer as equivalent courses to the University of Arizona. Please consult with a transfer admissions counselor and academic advisor to review specific courses as transfer pathways are subject to change.

The course equivalencies on the following page are from the AZTransfer course equivalency guide. The student's successful completion of each course will be reviewed in the pre-admission evaluation. Please note that all course work will be officially evaluated once your official transcript is processed by the University of Arizona. Students must receive a grade of a C or higher for a course to transfer.

Students will take equine interaction classes, such as *training and management of the weanling*, *developing the training foundation in yearlings*, and *horsemanship* at the University of Arizona's Equine Sciences facilities at Al-Marah.
